

# Welcome

Welcome to Industry Assembly! We are delighted that you have joined us for worship this morning. We consider it both an honor and a privilege to have you in our service today. Our prayer is that through our time together, you will experience firsthand the love and the power of the resurrected Christ in your life.

It is our hope that you will discover that our church is truly a family. Together as a family, we worship, we serve, we laugh, we cry, we learn, we grow, and we reach out to our world with the life-transforming truth about Jesus Christ. In essence, we are making a great life... together! And if you are looking for a church family where you can belong, we invite you to join us.

Again, thank you for coming to Industry. May all of God's best be yours on this Lord's Day.

Pastor Jon & Robbie Keck

**A SPECIAL GIFT FOR YOU:** Inside of this bulletin is a tear off section. If you could fill that out (with as much information as you are comfortable with) we would love to exchange it for a gift bag following this morning's service at the back door as you exit. Thanks again!
